

No. DGPC/CPD/CMPD/18/2021/ 316

August 25, 2021

**CORRIGENDA/ADDENDA No. 1**

**Name of the Tender: Manufacture/Supply, Engineering, Testing, Installation and Commissioning of 1 No. 20 MVA, 11/138kV Generating Transformer in one of the Units of KHP**

**Tender No: CO0023/2021 dated July 21, 2021**

In accordance with the provisions under Clauses 11.1, 11.2, 11.5, 13.1, and 13.4 of 'Instruction for Bidders' under Section II of the Bidding Document, the following Corrigenda/Addenda is hereby issued for modification of the Bidding Document:

**1) SECTION – I: INSTRUCTION TO BIDDER**

**a. Clause ITB 23: Bid Security**

*Add the following sentence at the end of the clause 23.2:*

“Bid Security BG in the form of Swift message shall also be accepted. In doing so, Bidders shall ensure that the Bid Security amount does not fall short due to any related banking charges”.

**2) SECTION – VI: SPECIAL CONDITIONS OF CONTRACT**

**a. Clause 15.2: Inspection and Test**

*Add the following paragraph at the end of this clause:*

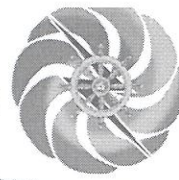

With COVID-19 pandemic across the globe and restrictions within the country, the Supplier shall familiarize with preventive measures and ensure that all the Service Engineer identified for deployment shall be free of any illness/ COVID-19 virus.

The RGoB has mandatorily put in 21 days quarantine for all people entering Bhutan. DGPC shall bear and reimburse the expenses incurred by the suppliers for mandatory quarantine of 21 days and any related cost for tests during the quarantine period. However, the Supplier shall cover all risks and associated costs relating to COVID-19 after 21 days of quarantine period. Further, incase, a person tests positive during/ after quarantine, all expenses for treatment/ evacuation shall be borne by the Supplier.

**b. Clause 19.2: Terms of Payment**

*Delete the sentence and substitute by the following paragraph:*

- i) 10% of the Contract Price shall be released as advance payment against submission of BG for equivalent amount.
- ii) 80% of the Contract value of the Goods shall be paid against submission of dispatch document

iii) Balance 10% of the Contract Price along with 100% supervision charges for Installation, testing and commissioning shall be paid upon receipt of Complete Goods under the Contract and its acceptance by DGPC and completion of installation, Testing and Commissioning of the Generator Transformer.
