

Clarifications to Bidder's queries against EOI No. CO 0018/2025 dated April 29, 2025 for Request for Expression of Interest for Implementation of 500 kW Lunana Mini Hydropower Project: Contract Package 1- Civil and Hydro-Mechanical Works

SN	Clause No.	Description as per Bidding Document	Queries from the Bidders	DGPC's Clarifications
Section 1 – Scope of Work				
1.	Scope of Work	To expedite the bidding process and facilitate timely mobilization of manpower and equipment, DGPC intends to procure and provide certain key equipment specifically for this project.	We would like to kindly request confirmation on whether we are required to include the listed equipment in our submission or whether these items will be provided directly by DGPC, as indicated.	DGPC shall procure the listed key equipment as indicated in the EOI and provide to the Contractor, however the Contractor is expected to conduct independent assessment of the adequacy of the equipment provided by Employer. Further, the Contractor shall procure and mobilize any additional equipment as required to meet the project schedule and quality standard. The equipment shall be used & maintained by the Contractor & handed back to the Employer. The Contractor shall accordingly quote the rates for this work.
2.	Additional document			In order to facilitate the Contractor in planning the work, kmz file is attached for reference.
